Dear Commissioners:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

1-H October 28, 2014

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**ADOPT A RESOLUTION AUTHORIZING THE HOUSING AUTHORITY TO ACCEPT TRANSFER
OF HOUSING FUNCTIONS FROM THE FORMER REDEVELOPMENT AGENCIES OF THE
CITIES OF ARCADIA, AZUSA, AND HUNTINGTON PARK
(DISTRICTS 1, 5) (3 VOTES)**

SUBJECT

This letter recommends that your Board authorize the Housing Authority of the County of Los Angeles (Housing Authority) to accept the transfer of the housing assets and functions of the former redevelopment agencies of the Cities of Arcadia, Azusa, and Huntington Park.

IT IS RECOMMENDED THAT THE BOARD:

1. Adopt the attached resolution authorizing the Housing Authority to accept the transfer of the housing assets and functions of the former redevelopment agencies of the Cities of Arcadia, Azusa, and Huntington Park.
2. Find that adoption of this resolution is not subject to the provisions of the California Environmental Quality Act (CEQA), as described herein, because the activities are not defined as a project under CEQA.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to transfer the former redevelopment agency housing assets and functions of the Cities of Arcadia, Azusa, and Huntington Park to the Housing Authority. Under the redevelopment dissolution law, if a city does not elect to retain responsibility for performing its former redevelopment agency's housing functions, the city may transfer such assets and functions

to the local housing authority. Relying on the redevelopment dissolution law, the Cities of Arcadia, Azusa, and Huntington Park and their respective Successor Agency Oversight Boards adopted resolutions to transfer their housing assets and functions previously performed by their former redevelopment agencies, to the Housing Authority.

On January 3, 2012, the City Council of the City of Arcadia elected to transfer the former redevelopment agency's housing assets and functions to the Housing Authority, whose jurisdiction includes the City of Arcadia. The State of California Department of Finance (DoF) certified a list of housing assets and functions to be transferred on February 6, 2013.

On July 16, 2012, the City Council of the City of Azusa elected to transfer the former redevelopment agency's housing assets and functions to the Housing Authority, whose jurisdiction includes the City of Azusa. The DoF certified a list of housing assets and functions to be transferred on March 10, 2014.

On July 16, 2012, the City Council of the City of Huntington Park elected to transfer the former redevelopment agency's housing assets and functions to the Housing Authority, whose jurisdiction includes the City of Huntington Park. The DoF certified a list of housing assets and functions to be transferred on July 15, 2013.

Adoption of the attached resolution will allow the transfer of the former redevelopment housing assets and functions of the Cities of Arcadia, Azusa, and Huntington Park to the Housing Authority, identified in Attachment A to the attached resolution.

FISCAL IMPACT/FINANCING

For five years, Housing Authority administrative costs, associated with the transfer of these housing assets and functions, will be paid with funds included in the Arcadia, Azusa, and Huntington Park Successor Agencies' Recognized Obligation Payment Schedule (ROPS) pursuant to California Health and Safety Code (HSC) Section 34171(p)(1). The statute provides that HACoLA is to be paid \$150,000 annually from each of the Arcadia, Azusa, and Huntington Park Successor Agencies until 2018.

There are indications that sufficient funding may not be available to the Successor Agencies to pay the Housing Authority administrative costs during the current ROPS period. In this situation, HSC 34171(p)(2) provides that the Housing Authority administrative cost remains an obligation of the Successor Agency until it is paid in full.

The Housing Authority estimates the annual cost of monitoring the multi-family affordable units to be \$118,000. In addition, until the vacant properties are transferred, the Housing Authority estimates it will incur \$107,000 annual maintenance and associated costs. These costs will be covered by the ROPS payments during the five year period.

There is currently no funding provided for administrative expenses beyond the five year period in the statute. However, some funds may carry-over into a subsequent year. Moreover, pursuant to County adopted State Legislative Policy 3.14.9, the Housing Authority will continue to seek legislation providing additional funding for administration of transferred housing assets and functions, or authority to transfer these housing assets and functions to the California Department of Housing and Community Development.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On August 20, 2013, your Board adopted a resolution approving the limited transfer of the Alta Street Classics development in Arcadia to address immediate impacts on homeowners living there.

Following approval of the attached resolution pursuant to HSC Section 34176, the Housing Authority will be accepting all rights, powers, duties, and obligations for the remaining housing assets and functions of the former redevelopment agency of the City of Arcadia, as well as all of the housing assets and functions of the former redevelopment agencies of the Cities of Azusa and Huntington Park.

The assets, to be transferred, comprise vacant lots as well as the rights and obligations contained in various agreements entered into, and interests recorded by, the former redevelopment agencies of Arcadia, Azusa, and Huntington Park. After acceptance of the assets and functions, pursuant to HSC Section 34176(c), the Housing Authority will perform related activities pursuant to applicable provisions of community redevelopment law. The resolution also provides the Executive Director authority to effectuate the transfer of the assets and functions to the Housing Authority.

There are a total of 20 vacant lots that Arcadia and Azusa are seeking to transfer to the Housing Authority. Two contiguous lots in the City of Arcadia and 18 assembled for one development in the City of Azusa. These properties will be evaluated for development potential and possible disposition.

There are 130 assisted homeownership units that Azusa and Huntington Park are seeking to transfer to the Housing Authority. These units will require monitoring of 'silent second mortgages' or other forms of assistance that was provided to homebuyers by the former redevelopment agencies of Azusa and Huntington Park. These units will be in addition to the six owner-occupied Alta Street Classics units in Arcadia.

There are a total of 1,169 affordable rental units for which Arcadia, Azusa, and Huntington Park are seeking to transfer monitoring responsibility to the Housing Authority. This will require review of financial statements, residual receipt calculations, and affordability monitoring. Of the 1,169 rental units, 693 are designated as senior housing.

County Counsel has reviewed this matter and concurs with the recommendation that the Housing Authority assume the assets and functions of housing successor agency for Arcadia, Azusa, and Huntington Park.

ENVIRONMENTAL DOCUMENTATION

This action is exempt from the provisions of the National Environmental Policy Act pursuant to 24 Code of Federal Regulations, Part 58, Section 58.34 (a)(3), because it involves administrative activities that will not have a physical impact on or result in any physical changes to the environment.

This action is not a project pursuant to the California Environmental Quality Act (CEQA) because it is an activity that is excluded from the definition of a project by Section 15378 (b) of the State CEQA guidelines. The proposed action is an administrative activity of government which will not result in direct or indirect physical change to the environment.
